Annual boost to local economy	\$ 5.3 M	\$ 10.6 M

Average boost to working families' incomes

\$ 345

\$ 690

Annual boost to local economy

\$ 5.3 M

\$ 10.6 M

Why EITC Works

- The EITC lets low- and moderate-income working families keep more of their earnings to help pay for things that help them keep working, such as child care and transportation.
- The EITC reduces the number of children living in poverty and improves kids' chances of success as adults.
- By helping low-wage workers keep more of their incomes, the EITC increases consumer spending which then boosts local economies across the state.

Double the EITC: Invest in Working Families & Small Businesses!
