Average boost to working families' incomes	\$ 259	\$ 518
Annual boost to local economy	\$ 1.3 M	\$ 2.5 M

## Why EITC Works

- The EITC lets low- and moderate-income working families keep more of their earnings to help pay for things that help them keep working, such as child care and transportation.
- The EITC reduces the number of children living in poverty and improves kids' chances of success as adults.
- By helping low-wage workers keep more of their incomes, the EITC increases consumer spending which then boosts local economies across the state.
