Households receive state EITC

	Current (10% of federal EITC)	With Expansion (20% of federal EITC)
Average boost to working families' incomes	\$ 334	\$ 668
Annual boost to local economy	\$ 3.6 M	\$ 7.2 M

Average boost to working families' incomes

\$ 334

\$ 668

Annual boost to local economy

\$ 3.6 M

\$ 7.2 M

## Why EITC Works

- The EITC lets low- and moderate-income working families keep more of their earnings to help pay for things that help them keep working, such as child care and transportation.
- The EITC reduces the number of children living in poverty and improves kids' chances of success as adults.
- By helping low-wage workers keep more of their incomes, the EITC increases consumer spending which then boosts local economies across the state.

**Double the EITC: Invest in Working Families & Small Businesses!**
