Earnings as
Adults

7,276

Local Impact

Households receive state EITC

| | Current (10% of federal EITC) | With Expansion (20% of federal EITC) |
|--|----------------------------------|---|
| Average boost to working families' incomes | \$ 284 | \$ 568 |
| Annual boost to local economy | \$ 2.5 M | \$ 4.9 M |

Average boost to working families' incomes

\$ 284

\$ 568

Annual boost to local economy

\$ 2.5 M

\$ 4.9 M

Why EITC Works

- The EITC lets low- and moderate-income working families keep more of their earnings to help pay for things that help them keep working, such as child care and transportation.
- The EITC reduces the number of children living in poverty and improves kids' chances of success as adults.
- By helping low-wage workers keep more of their incomes, the EITC increases consumer spending which then boosts local economies across the state.

Double the EITC: Invest in Working Families & Small Businesses!
