## Local Impact

Households receive state EITC

Current  
(10% of federal EITC)

With Expansion  
(20% of federal EITC)

Average boost to working  
families' incomes

**\$ 250**

**\$ 499**

Annual boost to local economy

**\$2.1 M**

**\$ 4.2 M**

## Why EITC Works

- The EITC lets low- and moderate-income working families keep more of their earnings to help pay for things that help them keep working, such as child care and transportation.
- The EITC reduces the number of children living in poverty and improves kids' chances of success as adults.
- By helping low-wage workers keep more of their incomes, the EITC increases consumer spending which then boosts local economies across the state.
