	Current (10% of federal EITC)	With Expansion (20% of federal EITC)
--	----------------------------------	---

Average boost to working
families' incomes

\$ 308

\$ 615

Annual boost to local economy

\$7.4 M

\$ 14.9 M

Why EITC Works

- The EITC lets low- and moderate-income working families keep more of their earnings to help pay for things that help them keep working, such as child care and transportation.
- The EITC reduces the number of children living in poverty and improves kids' chances of success as adults.
- By helping low-wage workers keep more of their incomes, the EITC increases consumer spending which then boosts local economies across the state.

Double the EITC: Invest in Working Families & Small Businesses!
