back in the pockets of working families
in Senate District 39

benefiting **22,733** children.

Children of EITC recipients have

Better birth
outcomes

Higher
Educational
Attainment

More
Earnings as
Adults

Why EITC Works

- The EITC lets low- and moderate-income working families keep more of their earnings to help pay for things that help them keep working, such as child care and transportation.
- The EITC reduces the number of children living in poverty and improves kids' chances of success as adults.
- By helping low-wage workers keep more of their incomes, the EITC increases consumer spending which then boosts local economies across the state.

Double the EITC: Invest in Working Families & Small Businesses!
