--	----------------------------------	---

Average boost to working families' incomes

\$ 282

\$ 563

Annual boost to local economy

\$4.9 M

\$ 9.7 M

Better birth outcomes

Higher Educational Attainment

More Earnings as Adults

Why EITC Works

- The EITC lets low- and moderate-income working families keep more of their earnings to help pay for things that help them keep working, such as child care and transportation.
- The EITC reduces the number of children living in poverty and improves kids' chances of success as adults.
- By helping low-wage workers keep more of their incomes, the EITC increases consumer spending which then boosts local economies across the state.

Double the EITC: Invest in Working Families & Small Businesses!
